MEDICAL ADMISSIONS SPECIAL CIRCUMSTANCES COMMITTEE

The Medical Admissions Special Circumstances Committee is set up to consider applications from candidates to medical degrees who present evidence of mitigating circumstances that might affect their application to study Medicine. The committee must review such applicants to discern whether the applicant has valid mitigating circumstances for underperformance in pre-entry academic performance / UKCAT / interview performance. If this is the case the committee must decide whether to allow entry on the evidence presented or not.

Further guidance can be found in the policy document: EXTENUATING CIRCUMSTANCES FOR ADMISSION TO MEDICINE DEGREE PROGRAMMES.
