

# POEMS FOR DOCTORS

University of  
St Andrews

Scottish **Poetry** Library

## TIME TO CHECK YOUR PULSE!

Poems for Doctors invites students and staff at any of the Scottish Medical Schools to submit video readings of their poems to an online competition.

**First Prize: £250**  
**Runner-up Prize: £100**

We're interested in poems about your experiences of human healthcare, medical research, or medical education. Experiences as a patient or a relative, or as a medical professional, or as a medical student.

You don't have to be a doctor to enter, as long as you are a student (or former student) or member of staff at one of the Scottish medical schools.

Submit by filming or recording your reading, posting it on YouTube, Video, or Soundcloud, and completing an entry form with the web address and your details.

### PRIZES

Kudos! - Of course, but as well as that there is a first prize of £250, and a runner-up prize is £100. In addition there will be bundles of poetry goodies from the Scottish Poetry Library for both winner and runner-up.
