MRC / Clinical Skills rooms are available at the times listed above.

Rooms are 'unavailable' if they are being used for a class or being set up for the next event. Rooms that are marked as 'unavailable' must not be used even if they appear to be vacant.

Students are requested to use the MRC as a first choice when all rooms are available.

Students must take responsibility for making videos made in time. Lack of planning on student' behalf is no excuse.

Students must not ask Dr Grierson for access at times marked as grey, the answer will always be 'no'
