

PhD induction process

PhD Student:

Task	Scheduled	Complete
<p>Complete all parts of the matriculation process – Student will receive an email from Registry once matriculation is open to Students.</p> <p>Schedule a meeting with Registry for ID checks *please see below for compulsory matriculation sections*</p> <p>If you are to be in receipt of a stipend/scholarship you will not receive this until matriculation is completed</p>		
<p>Set up a public Pure profile. This will pull through onto the Divisional website page</p>		
<p>Register for and attend the next available compulsory University induction session</p>		
<p>Read the Medhandbook sections on building safety and PGR policies prior to meetings with Ops and Facilities Manager and Lab Induction if applicable</p>		
<p>Complete the Diversity in the Workplace and the Unconscious Bias training modules</p>		
<p>Talk with supervisor(s) to co-create a training needs plan</p>		
<p>Ensure appropriate Ethical Approvals are in place for the project if required</p>		

PG Secretary:

Task	Scheduled	Complete
Organise a buddy - PhD student who is usually in a different division		
Schedule a safety briefing meeting with Ms Helen Clark Ops and Facilities Manager (group meeting)		
Schedule a meeting with Dr Paul Reynolds (DoPGR) and Ms Rachel Horn (PG Secretary) (group meeting)		
Add student to Medhandbook for circulation list		
Lab based students: arrange lab induction with Mr Mike Fearon (Building Officer) (1 to 1 meeting)		

The student will receive their card and be granted access to the building. Once the lab induction has been completed access to the labs will be added. Ms Karen Ross (Research Team Leader) will add access and assign desk space to the Student.

Supervisor(s):

Task	Scheduled	Complete
Discuss with LT Team computer/laptop requirements		
Recommend 2 members of staff to Dr Paul Reynolds (DoPGR) to serve on the students Review Committee (these staff members should be different from the Supervisory Staff) Note that the Convenor will be the Internal Examiner upon completion of the PhD. The Supervisor should ensure they have the staff members agreement prior to submitting		

the names to DoPGR. DoPGR will email staff to confirm and will add committee to the Module Management System (MMS)		
Ensure appropriate project ethical approval is in place if required		
Co-create with student a plan for the training needs of the student
