

Using your GP practice

**How do I know if my
need is urgent or not?**

Some tips to consider

In booking your appointment, you may be asked if your need is urgent. Not sure if it's urgent? Tell us and we will help you get the care you need.

GP practice closed?
Call 111 for urgent health needs.

For life-threatening medical emergencies, call 999.

How to think about whether your question is urgent:

Does your problem need sorting out the same or next day?

Is the issue urgent to you in terms of pain and discomfort?
